

# INDEX.

	Page
ABBE, Memoir of CLEVELAND, Alfred J. Henry.....	61
Alaska, Plant Succession after Glacial Recession in, W. S. Cooper.....	72
American Cities, Geographic and Historic Factors in the Growth of Certain, Lawrence V. Roth .....	81
Aviators, Maps for Use by, Godfrey L. Cabot.....	72
BOWIE, WILLIAM, The Gravimetric Survey of the United States.....	71
BROOKS, CHARLES F., New England Snowfall.....	72
CABOT, GODFREY L., Maps for Use by Aviators.....	72
California and Related Problems, The Marine Terraces of, R. S. Holway....	77
Carpathian Mountains, The Physiography of the, Emmanuel De. Martonne..	80
Cities, Geographic and Historic Factors in the Growth of Certain American, Lawrence V. Roth .....	81
Classification of the Native Vegetation of the United States into Natural Groups, A. New, H. L. Shantz and Raphael Zon.....	81
COBB, COLLIER, Colonial Transportation in North Carolina.....	72
COOPER, W. S., Plant Succession after Glacial Recession in Alaska.....	72
Coral Reefs of Tahiti, The Sea Cliffs and, W. M. Davis.....	73
CUSHING, SUMNER W., Sriharikota and the Yanādis.....	17
DARTON, N. H., Memoir of Henry Gannett.....	68
DAVIS, W. M., The Sea Cliffs and Coral Reefs of Tahiti.....	73
Degradational Processes of Deserts with Especial Reference to the Origin of Desert Depressions, The Erosional and, William Herbert Hobbs.....	25
Detroit, The Development of Manufactures at, A. E. Parkins.....	80
Eastern United States: Their Past, Present and Future, The Forests of the, Roland M. Harper .....	76
ENGELN, O. D. VON, Glacial Erosion of Rock Basins—With Especial Reference to the Conditions Applying in the Finger Lake Region of Central New York .....	83
Environment upon Primitive Regions, Some Influences of Geographic, R. H. Whitbeck .....	85
Erosion of Rock Basins, O. D. Von Engeln.....	83
Erosional and Degradational Processes of Deserts, with Especial Reference to the Origin of Desert Depressions, William Herbert Hobbs.....	25
Factors in the Growth of Certain American Cities, Geographic and Historic, Lawrence V. Roth .....	81
Finger Lake Region of Central New York. Glacial Erosion of Rock Basins— With Especial Reference to the Conditions Applying in the, O. D. von Engeln .....	83
Flood Producing Rains in the United States, 1916, Alfred J. Henry.....	76
Fluctuations of Our Southwestern Lakes, Ellsworth Huntington.....	77
Forests of the Eastern United States: Their Past, Present and Future, The, Roland M. Harper .....	76

	Page
GANNETT, Memoir of HENRY, N. H. Darton.....	68
Geographic and Historic Factors in the Growth of Certain American Cities, Lawrence V. Roth .....	81
Geographic Environment upon Primitive Regions, Some Influence of, R. H. Whitbeck .....	85
Geographical Provinces of the United States, Some Considerations on the, Mark Jefferson .....	3
Geography of the Lower St. Lawrence Valley, The, Roderick Peattie.....	80
Geography of the United States, Relief Models as a Source of Information for, W. L. G. Joerg.....	78
Glacial Erosion of Rock Basins—With Especial Reference to the Conditions Applying in the Finger Lake Region of Central New York, O. D. von Engeln .....	83
Glacial Recession in Alaska, Plant Succession after, W. S. Cooper.....	72
Glaciation in Southern Vermont, Possible Local, George D. Hubbard.....	77
GOLDTHWAIT, J. W., A New Model of the Mt. Washington Range in New Hampshire .....	75
GOODE, J. PAUL, A New Idea for a World Map: A Substitute for Mercator's Projection .....	75
Gravel Terraces of the Mississippi River in Wisconsin, Lawrence Martin....	79
Gravimetric Survey of the United States, The, William Bowie.....	71
 HARPER, ROLAND M., The Forests of the Eastern United States: Their Past, Present and Future .....	76
HENRY, ALFRED J., Memoir of Cleveland Abbe.....	61
—, Flood Producing Rains in the United States, 1916.....	76
Historic Factors in the Growth of Certain American Cities, Geographic and, Lawrence V. Roth .....	81
HOBBS, WILLIAM HERBERT, The Erosional and Degradational Processes of Deserts, with Especial Reference to the Origin of Desert Depressions..	25
HOLWAY, R. S., The Marine Terraces of California and Related Problems....	77
HUBBARD, GEORGE D., Possible Local Glaciation in Southern Vermont.....	77
HUNTINGTON, ELLSWORTH, Fluctuations of Our Southwestern Lakes.....	77
 JEFFERSON, MARK, Some Considerations on the Geographical Provinces of the United States .....	3
JOERG, W. L. G., Relief Models as a Source of Information for the Geography of the United States .....	78
 Lakes, Fluctuations of Our Southwestern, Ellsworth Huntington.....	77
Local Glaciation in Southern Vermont, Possible, George D. Hubbard.....	77
 Manufactures at Detroit, The Development of, A. E. Parkins.....	80
Maps for Use by Aviators, Godfrey L. Cabot.....	72
Marine Terraces of California and Related Problems, The, R. S. Holway....	77
MARTIN, LAWRENCE, Gravel Terraces of the Mississippi River in Wisconsin..	79
MARTONNE, EMMANUEL DE, The Physiography of the Carpathian Mountains..	80
Memoir of Cleveland Abbe, Alfred J. Henry.....	61
Memoir of Henry Gannett, N. H. Darton.....	68
Mexico, Notes on Man and Nature in Tamaulipas and Vera Cruz, Eugene Wesley Shaw .....	82
Model of the Mt. Washington Range in New Hampshire, A New, J. W. Goldthwait .....	75

	Page
Native Vegetation of the United States into Natural Groups, A New Classification, H. L. Shantz and Raphael Zon.....	81
New England Snowfall, Charles F. Brooks.....	72
New Hampshire, A New Model of the Mt. Washington Range in, J. W. Goldthwait .....	75
New Idea for a World Map: A Substitute for Mercator's Projection, A, J. Paul Goode .....	75
North Carolina, Colonial Transportation in, Collier Cobb.....	72
 PARKINS, A. E., The Development of Manufactures at Detroit.....	80
PEATTIE, RODERICK, The Geography of the Lower St. Lawrence.....	80
Physiography of the Carpathian Mountains, The, Emmanuel De Martonne...	80
Plant Succession after Glacial Recession in Alaska, W. S. Cooper.....	72
Plimsoll's Mark, William Gardner Reed.....	81
Possible Local Glaciation in Southern Vermont, George D. Hubbard.....	77
Primitive Regions, Some Influences of Geographical Environment upon, R. H. Whitbeck .....	85
 Rainfall Types of the United States, Robert DeC. Ward.....	85
Rains in the United States, 1916, Flood Producing, Alfred J. Henry.....	76
REED, WILLIAM GARDNER, Plimsoll's Mark.....	81
Relief Models as a Source of Information for the Geography of the United States, W. L. G. Joerg.....	78
Rock Basins—With Especial Reference to the Conditions Applying in the Finger Lake Region of Central New York, O. D. von Engeln.....	83
ROTH, LAWRENCE V., Geographic and Historic Factors in the Growth of Certain American Cities .....	81
 Sea Cliffs and Coral Reefs of Tahiti, The, W. M. Davis.....	73
SHANTZ, H. L. and RAPHAEL ZON, A New Classification of the Native Vegetation of the United States into Natural Groups.....	81
SHAW, EUGENE WESLEY, Notes on Man and Nature in Tamaulipas and Vera Cruz, Mexico .....	82
Snowfall, New England, Charles F. Brooks.....	72
Some Considerations on the Geographical Provinces of the United States, Mark Jefferson .....	3
Some Influences of Geographic Environment upon Primitive Regions, R. H. Whitbeck .....	85
Southern Vermont, Possible Local Glaciation in, George D. Hubbard.....	77
Southwestern Lakes, Fluctuations of Our, Ellsworth Huntington.....	77
Sriharikota and the Yānādis, Sumner W. Cushing.....	17
St. Lawrence Valley, The Geography of the Lower, Roderick Peattie.....	80
Substitute for Mercator's Projection. A New Idea for a World Map: A, J. Paul Goode .....	75
Survey of the United States, The Gravimetric, William Bowie.....	71
 Tahiti, The Sea Cliffs and Coral Reefs of, W. M. Davis.....	73
Tamaulipas and Vera Cruz, Mexico. Notes on Man and Nature in, Eugene Wesley Shaw .....	82
Terraces of California and Related Problems, The Marine, R. S. Holway....	77
Terraces of the Mississippi River in Wisconsin, Gravel, Lawrence Martin....	79
Transportation in North Carolina, Colonial, Collier Cobb.....	72

	Page
United States, Some Considerations on the Geographical Provinces of the, Mark Jefferson .....	3
United States, A New Classification of the Native Vegetation of the, H. L. Shantz and Raphael Zon.....	81
United States, The Gravimetric Survey of the, William Bowie.....	71
United States, Flood Producing Rains in the, Alfred J. Henry.....	76
United States, Forests of the Eastern, Roland M. Harper.....	76
United States, Rainfall Types of the, Robert DeC. Ward.....	85
United States, Relief Models as a Source of Information for the, W. L. G. Joerg .....	78
Vera Cruz, Mexico. Notes on Man and Nature in Tamaulipas and, Eugene Wesley Shaw .....	82
WARD, ROBERT DEC., Rainfall Types of the United States.....	85
WHITBECK, R. H., Some Influences of Geographic Environment upon Primitive Regions .....	85
Wisconsin, Gravel Terraces of the Mississippi River in, Lawrence Martin....	79
World Map, A New Idea for a, J. Paul Goode.....	75
Yânâdis, Sriharikota and the, Sumner W. Cushing.....	17
ZON, RAPHAEL, and H. L. SHANTZ, A New Classification of the Native Vege- tation of the United States into Natural Groups.....	81
